

Wandering Books Which Need to Return to the Library:

Over the past 20 years, many of our library's books have gone missing. The following books never found their way home. Are any of these in a bookcase at home? The books from our Chapter's library are stamped "Property of Southeast Chapter MBSI" on the top square and fore edge pages of the book. They also may be stamped on one the first few pages or inside the back cover.

These books have been missing for years. If you find one of these books, email library@MBSISE.org . The librarian will arrange for thier safe and economical return via US Postal Service Media Mail. You will also win a special gift card from the librarian.
